There will not be an issue of the Allen County HamNews this month. The editor, Ken, K9ZT, is in Vanderbilt University Medical Center in Nashville, Tennessee, and because of some complications, it is not known when he will get home.

The November meeting, at 7:00 p.m. on the 19<sup>th</sup>. at the Red Cross, will be the Hamfest Wrap-up, and the club elections for 2020.

The Fort Wayne Hamfest is just over one week away. Joseph, K9RFZ, the Hamfest Chairman, has indicated that things are shaping up for another successful event. Time is running out to make your table reservation via the Hamfest website, [www.fortwaynehamfest.com](http://www.fortwaynehamfest.com). Reservations and tickets for the Hamfest Banquet must be made by tomorrow, Friday, November 8<sup>th</sup>. They are only obtainable through the Hamfest website. Slots for workers are currently being filled. If you previously worked at the Hamfest and would like to work again this year and have not been contacted, get in touch with the Task Leader for the job that you had or contact Joseph and let him know your availability. If you have not worked at the Hamfest in the past and would like to spare a couple of hours helping on Friday evening, Saturday, or Sunday, contact Joseph and let him know your desire. Most importantly, if you don't have a table or desire to work for a couple of hours. mark the dates of November 16th and 17th and plan to attend and join the fun.

November is also the month for club elections for 2020. Consider running for an office or a board position and help shape the future of ACARTS and the club activities. We have had two unfilled positions for the last year, the club Secretary and the Station Manager, and, obviously, you are welcome to place your name in nomination for any office or board position that you would like to hold. Contact me if you are interested in joining the ACARTS board, and I can explain the duties of the various positions. Many of us have held office for a decade or two and would love to see some new faces and ideas.

73,  
Dave, W9LKH
